

FULLY ASSEMBLED

The Barn Garage, nearly identical to our classic Barn, features a robust garage door rather than the double barn doors. To accommodate the overhead garage door, while still maintaining over the road transport, we decreased the roof pitch to increase the wall height.

FULLY ASSEMBLED:

A weather tight shell. Specifications are the same as a PCK. Fully assembled prefabricated sheds and cottage buildings deliver exclusively to the northeast USA.

EVERY KIT INCLUDES

- Color Coded
- Part Numbered
- Step-by-Step Instructions
- All Fastening Hardware Included
