

FULLY ASSEMBLED

Our Economy Barn is an uncomplicated and affordable building that is often used for farming and gardening equipment, garage space or livestock shelter. All the barns include a set of large double barn doors. Economy buildings come with a silver galvalume roof and economy grade siding.

FULLY ASSEMBLED:

A weather tight shell. Specifications are the same as a PCK. Fully assembled prefabricated sheds and cottage buildings deliver exclusively to the northeast USA.

EVERY KIT INCLUDES

- Color Coded
