

3-SEASON Pre-Cut Kit

A traditional New England design, the Sugar Shack boasts functionality and aesthetic appeal. Sugar Shacks are traditionally used as a designated building to boil maple syrup. In the springtime a large cloud of smoke and steam can be seen rising high above a sugar shack.

3-SEASON KITS:

A three-season kit prepares the building for interior finishing. It includes complete PCK version plus vapor barrier, solid roof sheathing and insulated floor system.

EVERY KIT INCLUDES

- Color Coded
- Part Numbered
- Step-by-Step Instructions
- & All Fastening Hardware Included
