

FULLY ASSEMBLED

With enough space to step inside, this shed can accommodate basic storage needs without taking up too much real estate. Large enough to accommodate a push mower, hang bicycles and still have room for a few hand tools, it's a great option for the smallest of yards.

FULLY ASSEMBLED:

A weather tight shell. Specifications are the same as a PCK. Fully assembled prefabricated sheds and cottage buildings deliver exclusively to the northeast USA.
