

FULLY ASSEMBLED

A New England staple, with colonial charm—the Saltbox begs the word “tradition.” Featuring a distinct asymmetrical roof style, it is not only elegant, but practical. This design allows rain and snow to shed off easily, mostly to the rear.

FULLY ASSEMBLED:

A weather tight shell. Specifications are the same as a PCK. Fully assembled prefabricated sheds and cottage buildings deliver exclusively to the northeast USA.

EVERY KIT INCLUDES

- Color Coded
- Part Numbered
- Step-by-Step Instructions
- & All Fastening Hardware Included
