

3-SEASON Pre-Cut Kit

Our Saltbox design is inspired by traditional New England architecture. Snow and rain will be directed to the back of the building. A set of double barn Doors: and a pressure treated ramp create simple access for storing landscaping and gardening tools or recreational vehicles.

3-SEASON KITS:

A three-season kit prepares the building for interior finishing. It includes complete PCK version plus vapor barrier, solid roof sheathing and insulated floor system.
