

4-SEASON Pre-Cut Kit

Our Saltbox design is inspired by traditional New England architecture. Snow and rain will be directed to the back of the building. A set of double barn doors and a pressure treated ramp create simple access for storing landscaping and gardening tools or recreational vehicles.

The package includes the complete kit plus vapor barrier, insulation, solid pine roof sheathing, ship lap pine interior wall and ceiling sheathing, double-pane, energy efficient windows and an insulated steel door.
