

FULLY ASSEMBLED

This small outdoor firewood shed will allow you to have a supply of dry wood all season long. The rugged post and beam framing is strong enough to handle the weight and the open front and saltbox design allow for ample airflow, which every good Vermonter knows is the key to dry wood.

FULLY ASSEMBLED:

A weather tight shell. Specifications are the same as a PCK. Fully assembled prefabricated sheds and cottage buildings deliver exclusively to the northeast USA.
